TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Hudson in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Junior High School Auditorium in said Hudson on Tuesday, the 14th day of March next at ten o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing for which purpose the polls will be open from 10 A.M. until 6 P.M. unless a later closing hour is voted by the Town.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to accept numerous bequests as Trust Funds, the income to be used for the perpetual care of the various cemetery lots.

4. To see if the Town will vote to authorize the Selectmen to pledge the credit of the Town in anticipation of taxes.

5. To see if the Town will authorize the Selectmen to administer, pass title, or otherwise dispose of real estate taken by the Town for taxes to the extent of the right, title and interest of the Town therein.

6. To see if the Town will vote to raise and appropriate the sum of Fifty Dollars (\$50.00), for the purpose of extending the collection of garbage to the areas known as Riverside Pines and Brookside, so called.

7. To see if the Town will vote to repair and otherwise improve Ridge Avenue and raise and appropriate the sum of Three Hundred Dollars (\$300.00) for said purpose, upon petition of Thomas Dionne and others.

8. To see if the Town will vote to raise and appropriate a sum not exceeding \$337.00 (1/100th of one percent of the Town's valuation based on the 1949 assessment) to the Merrimack Valley Region Association for the purpose of publicizing and promoting the natural advantages and resources of the Town in cooperation with the other 37 communities in this Region, or act in relation thereto.

9. To see if the Town will vote to install three (3) street lights on Webster Street, one on pole No. 24, near the residence of Andrew Banuskevich, one on pole No. 29, near the residence of Ernest Merrill, and one on pole No. 35, near the intersection of Webster Street and Kenyon Street and raise and appropriate money for the same, upon petition of Eva Kazlouskas and others.

10. To see if the Town will vote to repair and otherwise improve Linden Avenue and Alpine Avenue as shown on Plan of Hudson Terrace, said two avenues commonly known as Alpine Avenue, and raise and appropriate the sum of Three Hundred Dollars (\$300.00) for said purpose, upon petition of John E. Deane and others.

11. To see if the Town will vote to raise and appropriate the sum of Two Hundred Dollars (\$200.00) to finish grading and tarring Charles Street upon petition of Thomas F. Monier and others.

12. To see if the Town will vote to install two (2) hydrants on Melendy Road from the pumping station, so called, southerly and raise and appropriate money for the same, upon petition of Ralph Sirois and others.

13. To see if the Town will vote to treat with tar the street known as Hayward Place and raise and appropriate the sum of Two Hundred Dollars (\$200.00) to cover the cost of same, upon petition of Walter C. Hadley and others.

14. To see if the Town will vote to purchase a power shovel and raise and appropriate money for the same, upon petition of George W. MacCann and others.

15. To see if the Town will vote to purchase a 5 Ton Truck and raise and appropriate the sum of \$6,600.00 to cover the cost of same, upon petition of Alphonse Richard and others.

16. To see if the Town will vote to increase the salary of the Chief of Police in the amount of \$360.00 annually and raise and appropriate money for the same, said increase to be effective as of January 1, 1950.

17. To see if the Town will vote to raise and appropriate the sum of Two Hundred Dollars (\$200.00) for the purpose of tarring Pinedale Avenue, upon petition of Paul D'Amour and others.

18. To see if the Town will vote to Install 12 hydrants on Webster Street northerly from the last existing hydrant to Derry Lane and raise and appropriate money for the same, upon petition of Roland Latour and others.

19. To see if the Town will vote to install 5 hydrants on Webster street northerly from the last existing hydrant to Flanders Street and raise and appropriate money for the same, upon petition of Roland Latour and others.

20. To see if the Town will vote to raise and appropriate the sum of Three Hundred Ninety-Five Dollars (\$395.00) for the purchase of tar for use in surfacing George Street from Ferry Street to Highland Street, upon petition of Howard H. Roby and others.

21. To see if the Town will vote to install two (2) street lights, one on the corner of Ferry and George Streets and one on a pole situated a few hundred feet in on George Street, upon petition of Carl Neuffer and others.

22. To see if the Town will vote to prohibit the hiring of personnel, trucks, heavy or light equipment for any work on the Highway, Sewer or Health Departments when such personnel or the owners of such equipment are not legal residents of the Town of Hudson. Except that when personnel is not available and equipment is not owned by a legal resident of Hudson, then the equipment shall only be hired on a rental basis after two weeks of advertising to the lowest responsible bidder, upon petition of Nicholas Zerbinos and others.

23. To see if the Town will vote to raise and appropriate the sum of One Hundred Fifty Dollars, (\$150.00) to grade and treat with tar F Street, so called on Plan of Brookside Park from A Street to the northern end of said F. Street.

24. To see if the Town will vote to install 5 hydrants on the Pelham Road from the Lowell Road, Easterly to Melendy Road and raise and appropriate money for the same, upon petition of Etienne Levesque and others

25. To see if the Town will vote to raise and appropriate the sum of One Hundred Fifty Dollars (\$150.00) for the purpose of tarring Hurley Street, upon petition of Priscilla Nichols and others.

26. To see if the Town will vote to install one street light on Hurley Street on pole No. 4/8 and raise and appropriate money for the same, upon petition of Priscilla Nichols and others.

27. To see if the Town will vote to raise and appropriate the sum of One Hundred Fifty Dollars (\$150.00) for the purpose of tarring Porter Avenue, upon petition of Julius Corosa and others.

28. To see if the Town will vote to raise and appropriate the sum of Two Hundred Dollars (\$200.00) to repair and otherwise improve Ferry Avenue, upon petition of T. Robert Ackerman and others.

29. To see if the Town will vote to require the Selectmen and other elected town officials to be present at the business sessions of town meeting and to answer questions put to them from the floor concerning the administration of their office during the prior year and the current year; this article to be effective until rescinded by a vote of the Town at an annual Town Meeting, upon petition of Leslie D. Binks and others.

30. To see if the Town will vote to require the Selectmen to institute condemnation proceedings for, or otherwise secure the use of, the swamp north and north east of Tarnic Pond within 30 days after town meeting in 1950; and to remove the town dump thereto within 60 days after title thereto or lease thereof can be secured; any lease obtained in lieu of title to be for not less than ten years; and to raise and appropriate \$2000.00 to pay for securing land and an approach road, this money to be used for no other purpose, upon petition of Leslie D. Binks and others.

31. To see if the Town will vote to elect the Trustees of the Trust Funds, the Budget Committee, the Trustees of the Public Library and the Trustees of the various cemeteries on the same secret written ballot as is used for electing a selectman, the Town Clerk, Town Treasurer, Tax Collector and Road Agent. Candidates shall file with the town clerk in the same manner as for Selectman; this article to take effect at the annual town meeting in 1951 and at all subsequent Town Meetings until rescinded by a vote of the Town at an annual Town Meeting, upon petition of Harold E. Small and others.

32. To see if the Town will vote to require that the owner of real property where property has been deeded to the Town for delinquency in taxes, shall be allowed to purchase said property from the Town for the sum of the taxes due, accrued interest and costs relating thereto and any out of pocket expenses of the Town; after which said real property shall *only* be sold at public auction after two public notices are published in a newspaper of general circulation in the Town and the posting of such notice in three public places in the Town for a period of two weeks, upon petition of Leslie D. Binks and others.

33. To see if the Town will vote to authorize a designated individual to be the authorized representative of the Town in connection with the filing of an application with the General Services Administration, Community Facilities Service upon petition of the Planning Board.

34. To see if the Town will vote to authorize the Board of Selectmen, or other appropriate administrative body, to accept the Federal Government's offer of an advance for engineering services, upon petition of the Planning Board.

35. To see if the Town will vote to authorize the Board of Selectmen or other appropriate administrative body to enter into a contract for the necessary engineering services, upon petition of the Planning Board.

36. To see if the Town will vote to authorize the Board of Selectmen or other appropriate administrative body to approve the final plans and specifications upon petition of the Planning Board.

37. To see if the Town will vote to increase the wages of the regular employees of the Highway Department ten cents per hour, upon petition of William A. Worth and others.

38. To see if the Town will vote to close by gates and bars that portion of the road located between the Lowell Road and the Pelham Road adjacent to the property of Frank L. Kennedy on the Southerly side, upon petition of Alfred E. Noel and others.

39. To see if the Town will vote to accept Philbrick Street, so called and raise and appropriate the sum of \$150.00 to repair same, upon petition of O. P. Moody and others.

40. To see if the Town will vote to accept, gravel, surface treat with tar and relocate, if necessary, that portion of Newland Avenue from the Junction of Summer Avenue to the Junction of Newland Avenue to the Junction of Cottage Avenue from the Junction of Summer Avenue to the Junction of Grand Avenue, not now improved as shown on Plan 510 in the Hillsborough County Registry of Deeds, and dedicated to public use thereon; and to raise and appropriate the sum of Five Hundred Dollars (\$500.00) to cover the expense thereof upon the petition of Norman Pelletier and others.

41. To see if the Town will vote to install a street light at the corner of Gillis and Reed Streets and raise and appropriate money for the same, upon petition of Leo Gagnon and others.

42. To see if the Town will vote to raise and appropriate the sum of \$150.00 for the purpose of improving Water Street from the residence of George Clark 200 feet easterly to the land of Philip Rodgers, upon petition of G. Philip Rodgers and others.

43. To see if the Town will vote to insure the Veterans' Memorial Hall, and maintain the exterior of Veterans' Memorial Hall and raise and appropriate money for the same, upon petition of Fred R. Connell and others.

44. To see if the Town will vote to purchase a new truck chassis to replace the present G. M. C. truck chassis on which the water tank for fires is installed and raise and appropriate the sum of \$2000.00 to cover the cost of same, upon petition of Winthrop Hanaford and others.

45. To see if the town will vote to install a street light near the residence of Ernest Morey on the Derry Road and raise and appropriate money for the same, upon petition of Mary Harwood and others.

46. To see what action the Town will take concerning the de-control of rents in the town in accordance with the Federal Housing Rent Act of 1949.

Given under our hands and seal this 17th day of February, in the year of our Lord nineteen hundred and fifty.

**REPORT OF AN AUDIT AND EXAMINATION
OF THE ACCOUNTS
OF THE
TOWN OF HUDSON
MADE BY
THE DIVISION OF MUNICIPAL ACCOUNTING
OF THE
STATE TAX COMMISSION
DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire**

October 13, 1949

Board of Selectmen
Hudson, New Hampshire

Gentlemen:

In accordance with the vote of the town the annual audit and examination of the accounts of the Town of Hudson has been made by this Division. This audit covered the period from the date of the previous audit, August 16, 1948 to August 22, 1949.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Road Agent and Trustees of Trust Funds.

FINANCIAL STATEMENTS

Comparative Balance Sheets:

Comparative Balance Sheets as of December 31, 1947 and December 31, 1948, are presented in Exhibit A. As indicated therein a change in financial condition of the town amounting to \$8,955.10 took place during the year 1948, which started with a Surplus of \$1,291.75 and closed with a Net Debt of \$7,663.35.

Analysis of Change in Financial Condition:

The factors which affected the change in the financial condition of the town during the year were as follows:

Increases in Net Debt

Net Budget Deficit	\$4,882.09	
Long Term Notes Issued	8,000.00	
Transfer of Tax Titles to Tax Deeds	52.73	
Decrease in Road Agent's Cash on Hand	17.80	
Decrease in Town Clerk's Cash on Hand	2.48	
		<hr/>
		\$12,955.10

Decreases in Net Debt

Long Term Notes Paid	\$2,000.00	
Bonds Retired	2,000.00	
		<hr/>
		\$4,000.00
Change in Financial Condition		\$8,955.10

Summary of Receipts and Expenditures: (Exhibit E)

A summary of receipts and expenditures for the fiscal year ended December 31, 1948, made up in accordance with the uniform classification of accounts.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks.

GENERAL COMMENTS

Appropriation Overdrafts:

In accordance with the provisions of the Municipal Budget Act, application was made to the Tax Commission by the Board of Selectmen with the approval of the Budget Committee, for authorization to exceed certain appropriations made by the town meeting. Because such expenditures were made for emergency measures, the requested authorization was granted.

It is again emphasized, however, that annual budget deficits, resulting from appropriation overdrafts, may seriously affect the financial condition of a town. To avoid this more attention should be given to (1) the preparation of budgets and (2) limiting expenditures to appropriations as authorized.

Conclusion:

The accounts and records of the town officials which we examined were found in good condition and the accounting procedure conformed to the uniform system prescribed by this Division.

We extend our thanks to the officials of the Town of Hudson for their assistance during the course of the audit.

Yours very truly,
HAROLD G. FOWLER

Director

Division of Municipal Accounting
State Tax Commission

Alan R. Matthews, *Auditor*

Hugh J. Cassidy, *Accountant*

October 13, 1949

CERTIFICATE OF AUDIT

This is to certify that we have audited the accounts and records of the Town of Hudson for the fiscal year ended December 31, 1948 and the period from January 1 to August 22, 1949 and found them to be in good order.

Respectfully submitted,

HAROLD G. FOWLER

Director

Division of Municipal Accounting
State Tax Commission

FOREST FIRES—Our Most Shameful Waste

Everyone apparently fears fire but too many are careless with it. This is particularly true of fires in and near woodlands. Official figures show that more than 98 percent of all forest fires result from human carelessness and can be prevented. Consequently, we may say "Forest Fires are our most shameful waste."

Annual forest fire losses are tremendous and their effects far reaching. Such fires destroy the raw products of the forests, the protection forests provide for game and the supply of ground water. They upset local economies by drawing men from gainful employment and requiring expenditure of public funds to extinguish them.

Our forest fire organization is doing a good job in keeping the size of fires small but the number of fires is increasing. In 1949 there were 100 more fires in New Hampshire than in 1948, but they burned 500 acres less. For the warden and his deputies to do the job they are capable of, they must have the cooperation of the public — YOU!

The primary objective of all fire fighters is PREVENTION—fire stoppage. This is the goal toward which your local forest fire warden and his deputies are constantly working. It can be achieved ONLY if YOU and YOU and YOU cooperate with them. It is worth YOUR effort and can be accomplished by:

1. Being careful with fire in or near woodland, being particularly careful with matches and cigarettes.
2. Securing the required written permit from the warden when the ground is not covered with snow.
3. Insisting that others be careful and comply with burning requirements.
4. Calling the warden promptly when fire is detected and aiding him to extinguish it.

Let's reduce the number of forest fires and eliminate our most shameful waste.

OSCAR P. CAMPBELL, *Forest Fire Warden*

GUY O. HOLLIS, *District Chief*

1 severe case taken to Manchester Hospital

Buried 1 horse

13 cats

9 skunks

Town Dump also checked regularly.

7 persons asked to clean up rubbish dropped from cars or trailers.

STATE CHILD HEALTH AND IMMUNIZATION CLINIC

The annual Child Health and Immunization Clinic was held at Junior High School both morning and afternoon on June 23, 1949.

John Quigley, M. D., School Physician, Maurice Chagnon, M. D., and Otto Goldcamp, M. D., gave each of the seventy-six preschools and infants present an examination, after they had been weighed and measured and an individual history taken.

If desired the child was given a first injection of tri immunal to give them immunity against diphtheria, whooping cough and tetanus.

These children were then instructed to return for a second and a third dose of the same serum which was given at the Portable School by Dr. Quigley the last Thursday in July and Sept. 8, 1949. There were twenty-eight children and infants signed for this immunization.

Twenty children received a booster dose of tri-immunal to aid in preventing diphtheria, whooping cough and tetanus.

Seventy-four patch tests for the detection of tuberculosis were applied by Irene Birchall, R. N., the Tuberculosis Nurse. These were read and evaluated, and suspicious reactors were given chest x-rays at a subsequent clinic at City Hall, Nashua.

Twenty-eight children were vaccinated against smallpox.

Each child found to have any condition needing remedial treatment was called on, by the State Nurse, after the clinic and the doctor's suggestions interpreted to the mother, and corrective measures needed, explained in detail.

Helen House, R. N., Natalie Rogers, R. N., and Betsey Muzzey, R. N., assisted the doctors in examining and immunizing the children.

A group of members from the local Parent-Teachers Association under the chairmanship of Mrs. Virginia Fuller assisted with the many details of the clinic. These were:

Mrs. Thelma Lenure
Mrs. Lillian Brown
Mrs. Madeline Ahrendt
Mrs. Helen Parker
Mrs. Ann Shaver
Mrs. Bernice Cobleigh

At the follow-up second and third immunization clinics in the Portable, Mrs. Helen Parker, Mrs. Madeline Ahrendt and Mrs. Mildred Boulanger tendered their assistance. Mrs. Virginia Fuller assisted with transportation.

MARIE FAHEY, R. N., *State Nurse*

REPORT OF COMMITTEE SELECTED FOR THE PURPOSE OF RELOCATING THE TOWN DUMP

August 9, 1949

Selectmen

Hudson, New Hampshire

Gentlemen:

The committee, appointed under article No. 8 at the recent Town Meeting to select a site for a public dump within the town of Hudson, has completed its task. The following report presents the findings of the committee.

The entire town has been carefully examined and a number of sites investigated. After considering the various locations four were selected as the best available.

In order to obtain a comparison of these four locations, each was considered under the following headings, and rated as (1) poor, (2) fair, (3) good, or (4) excellent.

- (A) Accessibility; location in town; proximity to highways.
- (B) Objection of proximity to residences.
- (C) Sanitary considerations; can it be covered with fill?
- (D) Fire hazard; available water supply.
- (E) Capacity. Years of estimated use.
- (F) Cost of maintenance and supervision.

	(A)	(B)	(C)	(D)	(E)	(F)	Rating
a) Robinson brook and old RR track	3	4	4	3	4	3	21
b Highland street "old dump"	4	1	3	4	4	3	19
c) New Dump	3	3	4	1	4	3	18
d) Tarnic Pond, north side	4	1	1	4	2	3	15

The ratings express the opinion of the committee as to choice in the selection of a site. It must be noted that no location has a perfect score under the system of rating used, and it is therefore possible to find some objection to any site selected.

It is the opinion of the committee that proper supervision, and limited hours of dumping is necessary and desirable, wherever the dump may eventually be located.

J. A. QUIGLEY, M. D.
EUGENE W. LESLIE
WINTHROP HANNAFORD

The Selectmen carefully investigated the sites for the town dump as recommended in the above report and the land referred to other than that being used at the present time was not for sale by the owners of said land. In view of the fact that the town meeting voted to use the present dump until a new one could be located it was necessary to continue as is being done. Strict supervision has been maintained at the dump and no serious fires or other nuisances have been reported. The Selectmen wish to commend Health Officer Andrew J. Polak for his very fine work in this connection.

Signed:

FRED T. GOODWIN

ARTHUR W. SMITH

EDWIN F. STECKEVICZ

Selectmen of Hudson

AFFIDAVITS

Site D—Tarnic Pond

To Whom It May Concern:

This is to certify that we refused to sell to the Town of Hudson, land on the north side of Ottarnic Pond, said land to be used as a public dump.

Site B—Highland St. (Old Dump)

February 2, 1950

Mr. F. T. Goodwin, Chairman
Board of Selectmen
Hudson, New Hampshire
Dear Mr. Goodwin:

Replying to your inquiry with regard to land on Highland Street now owned by the Public Service Co. of N. H., formerly owned by Sprague, since our purchase of this land, we have received letters, now on file, from numerous residents of the town living in the immediate vicinity of this tract, requesting that we refrain from selling to anyone who might use the same for dumping purposes, because of the nuisance and menace to health that such a condition would create.

On this basis, it is felt that our actions should be governed by the desires of our friends and neighbors and that the land will not be sold directly or indirectly for this purpose, if known.

Very truly yours,

PAUL W. BUXTON

Division Engineer

PWB:EP

Original affidavits on file with the Town Clerk.

Respectfully submitted,

BLANCHE C. FULLER,

Town Treasurer

PLANNING BOARD

HUDSON PLANNING BOARD

To the selectmen and the citizens of the Town of Hudson, The Planning Board submits the following as its annual report for the year ending Dec. 31, 1949.

A number of land divisions have been presented to the board for acceptance.

The request to the Federal Government for aid in the acquiring of engineering services in the survey and planning of a sanitary sewerage system for the town is again with us in the form of new applications and forms which must be approved by vote of the town as noted in the warrant. It is hoped that a vote in the affirmative will be forthcoming on these articles that progress may be made in this our second attempt to secure federal funds. The time is approaching when it will be prohibitive to empty sewerage into our streams and this seems like a step in the right direction well in advance of a compulsory order.

Some changes in our zoning ordinance are being considered but at present are not ready to be placed before the town for adoption.

The Hudson Planning Board

Term expires March 1952

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of Hudson, N. H., qualified to vote in district affairs:

You are hereby notified to meet at the Hudson Junior High School in said district on the 11th day of March 1950, at one o'clock in the afternoon, to vote for officers under Articles 1, 2, 3, 4. Polls will be open from 1-9 P. M. Action upon the remaining Articles will begin at 7 o'clock in the evening.

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
9. To see what action the District will take to set the rental fee of the auditorium at the Hudson Junior High School.
10. To see if the District will vote to name the Hudson Junior High School, so called, the "Dr. H. O. Smith Elementary School."

11. To see if the District will vote to extend the bus route from Derry Lane to Berard's on the Litchfield Road and raise and appropriate a sum of money to pay for same. (Inserted upon petition)

12. To transact any other business that may legally come before this meeting.

Given under our hands at said Hudson this 23rd day of February, 1950.

JOHN S. BURNHAM
DOROTHEA S. CRABTREE
J. A. QUIGLEY

School Board

SCHOOL BOARD

Hudson, N. H.

February 14, 1950

The site for the Alvirne School was picked by the School Board and Building Committee, and approved by the State Board of Education.

During the summer the site was cleared. Bids for the erection of a school were opened on September 18, 1949 and Swanburg Construction Corporation of Manchester was low bidder with \$277,964.

The total cost of building, grading and equipment has been estimated at \$350,000.

We also had bids on water pipe from the present storage tank to the school and Landers and Griffin of Portsmouth were low with \$4,485. The water system is in use at present.

The State widened and straightened the road by the Hills Farm and we realized \$1,675. in land damages from the State.

An amount of gravel was sold for highway work from the Hills land and we were reimbursed by Landers and Griffin who will use their heavy equipment to clear and level the athletic field for the school.

Construction was started on the new school about October 20, 1949 and it will be finished before September 1, 1950.

A partition was put up in the large basement room in the Junior High School to make two rooms, so as to relieve congestion at Webster School. Because of congested conditions in our grade schools there are three classes in rooms which are too small and poorly lighted. This condition is expected to be relieved next year by using the present Junior High for grade school classes.

Mr Henry J. Hastings was elected Superintendent of Union No. 27 and began his duties July 1, 1949. He has been very active and helpful in our school problems.

We are still faced with greater numbers of school children each year and we will be glad to have a new building to relieve the situation for a while. All indications are that the increase will continue for three or four more years at least.

Respectfully submitted,

School Board of Hudson

JOHN S. BURNHAM

DR. JOHN A. QUIGLEY

MRS. DOROTHEA CRABTREE

THE SUPERINTENDENT OF SCHOOLS

To the Hudson School Board:

It is with pleasure I herewith submit my first report on your school system.

The crisis in public education has been receiving nation-wide publicity. This crisis is upon us because of a rapidly increasing birth rate, a reluctance to raise teachers salaries in keeping with wages in industry and inability to construct needed new buildings during and immediately following the war. The most optimistic say it will be with us for at least ten years and the Federal Census Bureau sees no real relief from the increased school population.

When we survey our own school system to see how well it is equipped to face this crisis we can't help from feeling very thankful that Alvirne High School will become a reality and that because of being able to transfer grades seven, eight and nine from the Junior High School Building we will have a sufficient number of rooms to house all of our elementary grades next year.

Hudson has witnessed somewhat of a building boom these past few years and the effect has been very noticeable in our schools. As a result of an increase in school population of 538 last year to 606 this year our school buildings and bus facilities have been taxed to their utmost. Although it was expected that one extra teacher would have to be hired this year, when school opened in the fall it was found that the first grade enrollment was so large that an additional teacher for that grade was also employed. The seventh grade was also divided into three sections but the added classes were absorbed by increasing the teaching load of the Junior High School teachers. The upper grade room at the Centre School was so overcrowded that a few were transferred to the Webster School

To care for the large number of children the library room at the Webster school was again used as a classroom. A cinder block partition was put into the music room at the Junior High Building dividing it into a regulation size room and a smaller room. The sixth grade was moved into the larger room and the extra first grade into the smaller room.

These emergency measures, although not adequate, cared for our increases fairly satisfactorily but would not have been sufficient for the increase expected next year. With Alvirne High School now a reality we should be able to provide space for several years to come.

We can feel very pleased with the work being done by our teachers this year. Many are working under handicaps of lack of space and large enrollments but are obtaining results beyond expectation. The majority of them are very conscientious and every effort should be made to keep them with us next year. The abnormally high rate of turnover for the past several years gives me considerable concern. No real continuity of teaching procedures for all grades can be evolved when from thirty to fifty per cent of your teachers are new each year.

The hot lunch workers in the three schools have efficiently adjusted themselves to the larger numbers being served the noon lunch and have continued to serve a fine balanced meal. Our bus drivers have also handled their situation very well.

The construction of the Alvirne High School has presented many problems and has been very time consuming. This construction and the work of readying the building for occupancy next fall will present many more problems but I am sure that with the fine cooperation of all concerned the school will prove to be a very worthwhile addition to the school system.

In conclusion, I would like to thank the school board, teachers, and parents for the fine spirit of helpfulness and cooperation shown me thus far. The school board has been unstinting of its time and effort. The teachers have shown a very professional attitude toward their work. Many attended summer sessions last summer and several are now taking extension courses so that they may become better able to teach the youngsters of Hudson. The parents have attended many meetings dealing with the problems of the school. It is indeed an inspiration to work with school board members, teachers and parents who have the best interests of the children at heart and are willing to give these interests a first place in their thinking.

HENRY J. HASTINGS

Superintendent of Schools

JUNIOR HIGH SCHOOL PRINCIPAL

Hudson Junior High School

Hudson, New Hampshire

February 8, 1950

To the Citizens of Hudson, New Hampshire:

I herewith submit to you my fourth report as Principal at the Hudson Junior High School.

As everyone is aware, our school building is overcrowded this year. At the present time we have 245 pupils using this building, being distributed in grades as follows: First, 21; Sixth, 38; Seventh, 80; Eighth, 55; Ninth, 46; Tenth, 5. Normally we have about 150 pupils registered in Grades VII-VIII-IX. While serious problems centering about scheduling that will best serve the needs of such a heterogeneous group have largely been solved, such a situation as this would not be regarded as the one nearest to the ideal. Pupil cooperation and attitudes have been good. The teachers have responded well to the demands placed upon them by the aforesaid conditions. Our teachers are conscientiously trying to give of their best to the boys and girls in the Junior High School. Results will be the best when they are subject to lighter pupil loads and a more leisurely schedule, which should be inclusive of a longer noon hour than the present one of forty minutes. Probably this will all be remedied when the transition from Junior High to Alvirne School is complete.

Our lunchroom facilities are overtaxed. Pupils having hot lunch are in some instances required to sit at tables in the corridors. Three different classrooms are comfortably filled each day at noon with pupils eating lunches brought from home. Mrs Mary Hunnewell and Mrs Florence Clark have been doing a good piece of work as supervisors of the hot lunch program.

Since our building is used so extensively, the duties of the janitors have been extensive. I wish to take this opportunity to express to both Ray and Charlie Pelkey my sincere appreciation for their cooperation in doing their best.

Teacher changes effective at the opening of this school year were as follows: Mrs Georgina Tozer, Colby, A.B., replacing Warren Brockway; Charles Glenday, Keene, replacing Abraham Davis; Helen Corey, Keene, B. Ed. replacing Dorothy Linton; and Mrs Ruth McKay, Bates, A.B., replacing Mrs Dorothy Davis.

I wish to close this report with a word of appreciation for the cooperation that I have received while I have been here with you as Principal of your Junior High School.

Respectfully submitted,

RALPH LINTON, Principal

SCHOOL NURSE

Hudson, N. H.

February 6, 1950

To Superintendent, School Board Members and Citizens of Hudson:
During the school year I examined all the school children.

This is the report I have found:

No. of pupils physically examined	605
No. of pupils showing dental defects	190
No. of pupils showing tonsil defects	53
No. of pupils showing orthopedic defects	5
No. of pupils showing cardiac defects	5
No. of pupils showing hearing defects	6
No. of pupils showing visual defects	34
No. of pupils showing speech defects	7
No. of pupils showing asthmatic defects	4

The prevalence of contagious diseases among the children has been unusually low this year.

Local organizations and kind citizens have generously contributed to the nutritional fund, thus enabling many needy children to have milk and hot lunch.

Contributions of shoes, clothing, rubbers and overshoes have eased the burden on many needy families.

The Macio Audiometer was used for hearing tests. This made it possible to include first and second grades in the test. Lip reading is provided for those pupils showing loss and needing it.

Children attend the clinic at Community Council in Nashua every week for speech and guidance. This is available for any one needing such guidance.

An interesting project was completed during the Christmas season by the pupils of the Webster School. They brought in articles of food ample to complete seven baskets. These were distributed to needy families by the school teachers.

The splendid cooperation of teachers and parents is a helpful factor in promoting a health program and is greatly appreciated.

Respectfully submitted,

HELEN J. HOUSE, R. N.

School Nurse

Certificate of Audit

This is to certify that we have audited the accounts and records of the Hudson School District for the fiscal year ended June 30, 1949, and found them to be in good order. In our opinion the Exhibits presented herewith reflect the true financial condition of the School District, together with the results of operations for the fiscal year ended June 30, 1949.

Respectfully submitted,

HAROLD G. FOWLER

Harold G. Fowler, *Director*
